\$500 REWARD
 is offered by the manufac-
 turers of Dr. Sage's Catarrh
 Remedy, for a case of Cat-
 arrh in the head which
 they cannot cure.

Symptoms of Catarrh—Dull, heavy
 feeling, obstruction of the nasal passages,
 discharge falling from the head into the throat,
 sometimes profuse, watery, and acrid, at others
 scanty, mucous, purulent, bloody and
 fetid; the eyes are watery; there is
 a ringing in the ears, deafness, lack of
 energy to clear the throat, expectoration of
 offensive matter, headache with neuralgic
 features; the voice is changed and has a "nasal
 twang"; the breath is offensive; smell and
 taste are impaired; there is a sensation of dizz-
 iness, with mental depression, a hacking cough
 and general debility. Only a few of the above-
 named symptoms are likely to be present in
 any one case. Thousands of cases annually,
 without manifesting half of the above symp-
 toms, result in consumption and end in the
 grave. No disease is so common, more de-
 ceptive and dangerous, or less understood by phy-
 sicians.

By its mild, soothing and healing properties,
 Dr. Sage's Catarrh Remedy cures the worst
 cases of Catarrh, "Cold in the Head,"
 Coryza, and Catarrh of the Headache.

"Entire Acrony from Catarrh."

Prof. W. H. Hays, the famous mesmerist,
 of Kansas, N. Y., writes: "Some ten years ago I
 suffered untold agony from chronic nasal cat-
 arrh. My family physician gave me up as
 incurable, and said I must die. My case was
 neglected until, that every day, towards sunset,
 my nose would become so swollen, I could
 scarcely breathe above a whisper. The morning
 mucus was so thick and sticky, it would
 almost strangle me. By the use of Dr. Sage's
 Catarrh Remedy, in three months, I was a well
 man, and my cure has been permanent."

Thomas J. Harrison, Esq., 290 Pine Street,
 San Francisco, writes: "I was a great sufferer
 from catarrh for three years. At times I could
 hardly breathe, and at times I could not
 breathe at all. I thought I was going to
 die. I tried every remedy, but nothing
 would do me any good. I was a well
 man, and my cure has been permanent."

 of importance, will be mailed, post-paid (any

SILVER PLATFORM.

The silver party of Nevada in con-
 vention assembled at Winnemucca,
 Nevada, declares as follows:

Whereas, Mr. Cleveland was
 elected in 1884 on the following sil-
 ver platform: "We believe in hon-
 est money, the gold and silver coin-
 age of the constitution, and a cir-
 culating medium convertible into such
 money without loss;" and immediately
 after the election recommended the
 repeal of the Bland act and the utter
 demonetization of silver, and used
 the entire influence of his adminis-
 tration to reduce the money of the
 world to the single gold standard,
 and was defeated by the people in
 1888; and

Whereas, Mr. Harrison in 1888
 was elected on the following plat-
 form: "The Republican party is in
 favor of the use of both gold and sil-
 ver as money, and condemns the
 policy of the Democratic adminis-
 tration in its efforts to demonetize
 silver;" and after his election insist-
 ed upon the repeal of the Bland act
 and the substitution thereof of the
 celebrated Windom silver bullion
 bill, by the terms which bullion was
 to be deposited in the treasury and
 certificates issued therefor; redem-
 mable in bullion, not in money, which
 would have placed silver upon a like
 footing with wheat, corn or any other
 commodity deposited and warehouse
 receipts issued thereon. The con-
 vention act of 1890 was extorted
 from him to save the tariff, and since
 its passage every beneficial feature
 it contained has been thwarted by the
 administration of the government
 and the refusal of the treasury de-
 partment, by direction of the presi-
 dent, to use silver as money or to
 coin silver, as required by the act,
 to provide for the redemption of the
 treasury notes issued in the purchase
 of bullion, and

Whereas, Mr. Harrison has repu-
 diated the platform of his party made
 at Minneapolis, which was sufficiently
 radical for gold to satisfy the gold
 press, and now declares in his letter
 of acceptance that he is opposed to
 independent action on the part of
 the United States, but is in favor of
 an international conference, provided
 the ratio can be so changed as to
 make the commercial value of the
 silver dollar equal to the commercial
 value of the gold dollar, which im-
 possible for the market price of sil-
 ver ever hereafter to advance. He
 would take advantage of the "bear"
 movement of the conspiracy between
 England and the treasury depart-
 ment to depress the price of silver,
 and the combination of the nations of
 the world maintain for the benefit
 of the owners of gold such depressed
 prices and

Whereas, the administration and
 the gold men in the Republican party
 in the 51st congress conspired to con-
 solidate the government by depriving
 the people of a free ballot by the
 passage of the odious force bill, which
 provides for the appointment of an
 unlimited number of supervisors of
 election and deputy marshals, to be
 paid out of the treasury of the
 United States from a standing ap-
 propriation. This would enable the
 executive to have hundreds of thou-
 sands of political workers at the polls,
 with power of supervision of the re-
 turn of elections throughout the
 United States; and

Whereas, All the silver men in the
 house of representatives except those
 from the mining states, were bitterly
 opposed to the force bill and regarded
 it as a destructive of free government
 and designed to secure negro domi-
 nation in the south; and

Whereas, The force bill passed the
 house of representatives by only six
 majority, and the following so-called
 silver Republicans, namely: Hosea
 Townsend of Colorado; H. F. Bartine
 Nevada; Binger Hermann, Oregon;
 and Thos. H. Carter Montana, had
 the power to defeat it by severing
 themselves from the gold advocates
 and joining with the friends of silver,
 but they refused to do so, and there-
 by created a breach between the sil-
 ver producing states and the great
 mass of silver men in the west and
 south, which has ever since contrib-
 uted to prevent the passage of a free
 coinage bill in the house; and

Whereas, William M. Stewart was
 the first Republican in the senate to
 join hands with the silver men in the
 Democratic party in the defeat
 of the force bill in the senate and by
 his efforts, with the aid of a portion
 of the silver Republicans, rescued the
 country from the calamity which that
 revolutionary measure would have
 caused, and a silver party was created
 in the senate sufficiently strong to
 pass through that body in the last
 and in the present congress a free
 coinage bill pure and simple. The
 bill which passed in the 52d congress
 was postponed in the house and is
 still pending for action; and

Whereas, the endorsement of the
 Harrison policy of the federal inter-
 ference in local elections, as exem-
 plified in the force bill, would place
 the state of Nevada in opposition to
 the friends of silver throughout the
 country; therefore, be it

Resolved, That the silver party of
 Nevada condemns the policy of the
 Cleveland administration for its ef-
 forts to demonetize silver, and de-
 nounces the Republican adminis-
 tration for its attempt to deprive the
 people of a free ballot, and for its
 active and determined efforts to de-
 stroy silver as money. We denounce
 the letter of acceptance of President
 Harrison for opposing independent
 action on the part of the United
 States and for advocating the sub-
 mission of the financial policy of the
 United States to the dictates of the
 bankers of Great Britain and the
 gold advocates of Europe and con-
 demn his suggestion to foreign pow-

ers so to change the ratio between
 gold and silver that silver can no longer
 be used as money.

This convention recognizes James
 B. Weaver of Iowa and James G.
 Field of Virginia as the only candi-
 dates for President and vice-presi-
 dent who are friends to the use of
 silver as money, and the free and
 unlimited coinage of that metal; and
 we heartily and unequivocally in-
 dorsed Weaver and Field as the stand-
 ard bearers of the Silver party of
 Nevada and pledge them our sup-
 port. The nominees of this conven-
 tion are also hereby pledged to work
 and vote for the standard bearers of our
 cause, and to use every honorable
 means to defeat the enemies of silver
 —Harrison and Cleveland.

This convention repudiates the
 sham pretense that Weaver will be
 defeated and that votes for him will
 be lost. Every great reform must
 have a beginning. Too much time
 has already been lost in voting for
 the agents of the gold trust, which
 action has paralyzed the industries
 of the country and ruined silver min-
 ing in Nevada. The endorsement
 already given by the silver States of
 the advocates of gold in former elec-
 tions is used as an argument to
 show that the silver States them-
 selves are opposed to the free and
 unlimited coinage of silver. The
 movement for silver is now advanc-
 ing with resistless force under the
 lead of our gallant standard bearer
 James B. Weaver. The people of
 Nevada will not stay the tide by vot-
 ing for either Harrison or Cleveland,
 the representatives of gold money-
 only, but will proclaim to their friends
 throughout the country that Nevada
 stands firm against the usurpation of
 federal power in local elections and
 against the gold monopoly of Europe
 and America.

The platform and resolutions of
 the convention of the Silver party of
 Nevada held at Reno on the 24th
 of June, 1892, are hereby approved
 and adopted, and Hon. Thomas
 Wren of Eureka, Hon. M. S. Bonni-
 field of Winnemucca and Hon. C. C.
 Powning of Reno, who were nomi-
 nated at that Convention as presi-
 dential electors, are hereby directed
 to cast their votes in the electoral
 college for James B. Weaver of Iowa
 for President and James G. Field
 of Virginia for Vice-president.

This convention indorses the course
 of our Senator, the Hon. Wm. M.
 Stewart, in his untiring and success-
 ful efforts in the cause of silver, and
 in securing the defeat of the force
 bill, the pet measure of the Harrison
 administration. We tender him our
 thanks for his efficient services in
 obtaining legislation beneficial to our
 State; in aiding to endow the State
 University; in reopening the Mint;
 in securing the completion of the
 Government building; in establishing
 the Indian school; in securing the
 recommendation of the interior de-
 partment for the abandonment of the
 Walker River reservation; in limit-
 ing the extent of the Pyramid Lake
 Indian reservation to the legitimate
 requirements of the Indians and pro-
 viding them with the means of ir-
 rigation by the construction of an ir-
 rigation canal; in obtaining the pas-
 sage of the bill providing for the pay-
 ment of the Piute war claims repeatedly
 through the Senate; in compiling the
 evidence and securing the adjustment
 in the war department of the rebel-
 lion claims, amounting to over \$400,-
 000, in securing favorable reports in
 both houses of Congress for the pay-
 ment of the same, and in having a
 bill passed through the Senate for
 that purpose; in taking advantage of
 a favorable moment to secure the
 passage of the Scott law for the ex-
 clusion of Chinese, and for his fidelity
 in attending to all the business
 and interests of the people of Nevada.

This Convention indorses and recom-
 mends his re-election to the U. S.
 Senate as Nevada's champion in the
 cause of silver.

All nominees of this Convention
 are required to accept this platform
 and resolutions, and pledge them-
 selves in good faith to adhere to and
 be bound by the principles herein
 enunciated.

Resolved, That the railroad as a
 factor in our civilization is only valu-
 able as a safe, cheap and rapid means
 of transportation for persons and
 property. That the monopoly of
 railroads has subverted their useful-
 ness to the people by mismanagement
 in operation, converting them into a
 dear means of transportation. We,
 therefore, heartily endorse the scheme
 of the San Francisco and Great Salt
 Lake railroad company to construct a
 competing line of road across our
 State and country.

Whereas, Certain enemies of the
 free and unlimited coinage of silver
 at the ratio of 16 to 1 assembled at
 Reno on the 31st day of August last,
 styling themselves a Republican con-
 vention, nominated anti-silver Har-
 rison presidential electors and an
 anti-silver Harrison candidates for
 Regents of the State University; and

Whereas, Certain other enemies
 of the free and unlimited coinage of
 silver at the ratio of 16 to 1 assem-
 bled at Carson City on the 14th inst.,
 styling themselves the Democratic
 State Central Committee, nominated
 anti-silver Cleveland presidential
 electors and an anti-silver Cleveland
 candidate for Congress and anti-silver
 Cleveland candidates for Regents of
 the State University; and

Whereas, The present Secretary
 of State is believed to be in full sym-
 pathy and accord with both of these
 organizations, and will probably rec-
 ognize each as the regular representa-
 tive of their respective parties, and
 place the nominees on the State
 ticket as such; and

Whereas, It will be necessary for
 the Silver Party of Nevada to nomi-
 nate candidates for Congress, Judge

of the Supreme Court and Regents of
 the State University by certificates of
 nomination under the statutes,

Resolved, That this Convention
 recommend the members of the Sil-
 ver Party of this State to sign the
 certificates of nomination of Francis
 G. Newlands for Congress, C. H.
 Belknap for Judge of the Supreme
 Court, H. L. Fish for Regent of the
 State University for long term, and
 C. E. Mack for Regent of the State
 University for short term, all of said
 parties being members of the Silver
 Party of Nevada and in favor of the
 election of James B. Weaver and
 James G. Field for President and
 Vice-President of the United States.

Respectfully submitted,
 Geo. S. Nixon, Chairman,
 Attest:

P. M. BOWLER, Jr., Secretary.
